ARTICLE THREE

ARTICLE FOUR
NEGOTIATIONS PROCEDURES

4.1 All collective bargaining shall be conducted at the level of the school board.

4.2 Any agreement reached shall be reduced to writing and be signed by the board and the association. A copy of the agreement shall be filed by the board or its designee with the New Hampshire Public Employee Labor Relations Board (NH PELRB) within fourteen (14) days of the signing. The board shall be responsible within thirty (30) days of the signing, for publication of the agreement on the District's website. Newly hired employees shall be furnished with a paper copy of the agreement at time of hire.

4.3 When members of the board and association mutually agree to hold such meetings for the purpose of negotiating beyond 11:00 P.M, such members shall be excused from duty the following day without loss of pay, or benefits, (i.e., professional, sick, personal days) and provisions made for substitute relief.

4.4 It is agreed that before changing policies, practices and matters which impact upon working conditions which are within the scope of the employer's authority, prior negotiations with the association shall take place.

4.5 The board shall make maximum effort to obtain ratification of the agreement cost items from the district.

ARTICLE FIVE
ASSOCIATION RIGHTS AND RESPONSIBILITIES

5.1 Rights and privileges granted the association shall not be granted to any other employee organization as long as they remain the certified bargaining unit.

5.2 The board and the association agree that all employees shall have full freedom of association and self-organization and shall be free from restraint, coercion, interference, discrimination or reprisals by the board or the association by reasons of membership, or non-membership in the association or participation in any of its activities or the exercise of individual rights under RSA 273-A.

5.3 Outside of normal school hours, the association and its affiliates shall have the right to use designated areas in the school building for meetings, provided that there is no interference with scheduled school activities and pre-arranged civic meetings. The use of such areas shall be arranged with the building principal in advance.

5.4 The association shall have the right to use school facilities and equipment, including typewriters, photocopying machines, and other duplicating equipment at reasonable times, when such equipment is not otherwise in use. The association shall incur the cost of duplicating materials and paper.

5.5 Designated representatives of the association shall be allowed to receive telephone calls and other communications concerning association business during duty-free time.

5.7 The building principals shall permit placement of association material and notices in each teacher's mailbox and on teachers' room bulletin boards.

5.8 The board and the association may meet on a periodic basis for the purpose of discussing various educational matters of interest or concern to both or either party relating to the welfare of the school system.

5.9 The board shall place on the agenda of each regular board Meeting as an item for consideration under "New Business", any matters brought to its consideration by the association so long as those matters are made known to the superintendent's office seventy-two (72) hours, or if circumstances warrant, seven (7) days prior to the regular meeting, in writing.

5.10 Upon written application, payroll deductions will be made for all insurances, tax sheltered annuities (less any insurance premiums contained therein), association dues, savings bonds, and the credit union. Such authorization shall be revocable by the teacher at any time upon written notice. A statement of these deductions shall be provided with each salary payment. Those required by law; i.e., withholding taxes, retirement and FICA, will automatically be deducted.

5.11 At the beginning of every school year, the association may be credited with two (2) days to be used by employees who are officers or agents of the association. Such use, with pay, to be at the discretion of the association. The administration will be notified as soon as possible, but no less than twenty-four (24) hours prior to the commencement of such leave.

Continuing members who notify the SAU by June 30 will have dues deducted beginning with the first pay period.

ARTICLE SIX

TEACHER RIGHTS

6.1 No teacher shall be required to appear before the board or its agents concerning any matter which could adversely affect the continuation of that teacher in his/her office, position, employment, or the salary or any increments pertaining thereto, unless he/she has been given prior notice of the reason for such a meeting in advance where possible, and shall be entitled to have a representative of the association present for advice and representation during such interview. The parties agree such right to representation shall not include conferences following observations or evaluations, unless such a conference is related to potential disciplinary action.

6.2 Due Process No teacher shall be discharged, disciplined, suspended, reduced in rank or compensation without just cause. In accordance with RSA 273-A:4, teacher non-renewals shall be governed by RSA 189:14-a and RSA 189:14-b. All information forming the basis for disciplinary action will be made available to the teacher and the Association. The parties agree that discipline shall be progressive and corrective. During a teacher's probationary period under RSA 189:14-a (i.e., prior to achieving "continuing contract" status), a teacher shall be exempt from the just cause provision of this Article 6.2. Verbal discipline and non-permanent written discipline shall be exempt from the just cause provision of this Article 6.2.

6.3 No salary deduction or loss of leave shall occur when a teacher is absent as a result of being called to appear in court or other tribunal on business concerning the school district.

6.4 This agreement shall be applied without regard to race, color, creed, national origin, sex, marital status, age, handicap, domicile, sexual orientation, genetic information or membership in the Wakefield Education Association or its associated activities.

6.5 A continuing contract teacher who is in danger of nonrenominations due to unsatisfactory performance must receive written notice of said danger by December 1 prior to the nonrenomination. The administration shall provide a written improvement plan to such a teacher by January 1 prior to nonrenomination and will provide a mentor to help implement the improvement plan.

ARTICLE SEVEN REDUCTION IN FORCE

7.1 As soon as a reduction in force is seriously contemplated, the superintendent of schools shall notify the President of the Wakefield Education Association and all of the teachers in the specific classifications, upon which it is contemplating, a position to be eliminated. For the purposes of this Article, classifications are defined as follows:

- A. Grades K-6 Classroom Teachers
- B. Grades 7-8 Classroom Teachers
- C. Integrated Arts Teachers (art, music, media specialist, physical education, health).
- D. Specialist Employees Grades PK-8 (guidance counselor, nurse, social worker).
- E. Special Education Employees Grades PK-12

If any new position is added to the bargaining unit during the term of this Agreement, the Association and the Board will meet to address which classification will include the new position.

7.2 In identifying which teachers to release, the school board shall consider the following factors: certification, academic preparation, staff development requirements, evaluation recommendations, highly qualified status, and disciplinary actions. All of the factors being equal, then seniority will be considered in making the final determination. Seniority is defined as the total number of years continuously employed in this bargaining unit. If said seniority also is equal, the number of years, if any, as a paraprofessional in the School District will be the tie-breaker.

7.3 The school board will accept for review any written presentation regarding the reduction in force from the association, individual teachers or the public.

7.4 The decision to implement the reduction in force shall be made at the sole discretion of the school board.

7.5 Every reasonable effort shall be made to minimize the effects of reduction in force on the current staff by absorbing as many positions as possible through attrition (retirements, resignations, and refusal to contract). If further reductions are necessary, then non-tenured staff shall be laid off if they are in the specific classifications (designated RIF assignment areas) affected by the reduction.

7.6 Employees released shall be granted priority for re-established positions for a two-year period. Employees released shall maintain accurate and updated contact information with the SAU in the event of a recall. Failure to do so shall result in a waiver of recall rights. A previously employed teacher who returns to a teaching position within a three-year period shall resume employment by the school district at not less than the step occupied when the teaching position previously held was terminated.

7.7 Any transfer, assignments, or reassignments resulting from or involved with a reduction in staff will be made at the sole discretion of the superintendent of schools. In the event of a change of assignment or transfer as a result of the reduction in force, the teacher involved shall be notified of such change.

7.8 This reduction in force procedure is the only procedure that may be used in a reduction in force. No other personnel action, other than a reduction in force, may be considered under this Article.

7.9 If a grant funded position is filled by a candidate who is not a current employee, then the district may lay off the employee if the grant expires. If a grant funded position is filled by a candidate who was employed by the district prior to taking the grant funded position, the layoff will be considered to be from the position which the employee last held. For instance, if a K-8 teacher were hired to a Title I position and the Title I grant expired, a K-8 RIF would be executed.

ARTICLE EIGHT **STUDENT DISCIPLINE AND TEACHER PROTECTION**

8.1 A teacher may, at all times, use such force as is reasonable and appropriate under the circumstances to protect his/herself, a fellow teacher, administrator, or a student, from attack, physical abuse, or injury.

8.2 The board will consider a request for reimbursement from teachers for any loss, damage, or destruction of clothing or personal property of the teacher while on duty in the school, or on a school-sponsored activity.

8.3 Any case of assault upon a teacher shall be promptly reported to the superintendent or his/her designated representative. The superintendent will arrange for legal counsel at no cost to the teacher to advise the teacher of his/her rights and obligations with respect to such assault and shall promptly render all reasonable assistance to the teacher in conjunction with handling of the incident by law enforcement and judicial authorities.

8.4 Time lost by a teacher in connection with any incident mentioned in this article shall not be charged against the teacher nor shall the teacher suffer any loss in compensation or other benefits provided the teacher has used force that is reasonable and appropriate under the circumstances.

ARTICLE NINE **SCHOOL CALENDAR**

9.1 The board shall establish the school calendar. The association will be provided an opportunity to review and make recommendations prior to board approval of it.

9.2 The teachers' school year will start no sooner than the Monday before Labor Day. There will be four consecutive days of professional development before instructional days begin with at least one day for classroom set up which shall be meeting free, and the remaining for workshops and meetings scheduled by the administration. The Friday before Labor Day will be a no school day.

If the Board establishes a days-based calendar, the teacher work year shall consist of up to 187 work days, including a maximum of 180 instructional days and a minimum of 7 in-service days. One in-service day shall be for the annual teachers' instructional convention.

9.3 In the event school is closed due to inclement weather, the association agrees to make up, at a time mutually agreed upon, those days necessary to meet state minimum requirements.

9.4 The board shall schedule at least 3 early release or late start days to provide for one half (1/2) day teacher in-service training and/or parent conferences. These early-release/late-start days may be combined for full no-student days by mutual agreement of the district and the association.

ARTICLE TEN **TEACHING CONDITIONS**

10.1 The teacher workday shall begin twenty (20) minutes before the instructional day. On Mondays through Fridays the teacher workday shall end twenty (20) minutes after the completion of the instructional day or upon completion of professional responsibilities, whichever is later. Twenty (20) minutes after the instructional day has ended any remaining students whose dismissal plan includes taking the bus home will be dismissed to the gym barring any extenuating circumstances where more than one bus is still yet to be dismissed. Students will be supervised by a member of administration. Professional responsibilities shall include, but are not limited to, providing assistance to students who request extra help, attending department and other staff meetings, and meeting with parents and students. The administration shall consult with the professional staff with respect to the scheduling of professional responsibilities more than twenty (20) minutes after the completion of the instructional day. Each member of the bargaining unit shall be required to spend at least one hour per week beyond the instructional day providing tutoring or other help to students. "Other help" will be defined as any non-stipended activities provided during non-school hours.

10.2 The board will make every effort to schedule all teachers for five 45-minute duty-free planning periods per five-day week. On any day that a teacher is not scheduled for a planning period, the teacher will not be scheduled for a duty. No more than one planning period per week will be used for meetings.

10.3 The board will provide, except in emergencies, a duty-free uninterrupted lunch period of thirty (30) continuous minutes, or the student lunch period, whichever is greater.

10.4 Teachers may leave the building during their unscheduled time with prior permission of the principal, including the period before and after the instructional day as found above in Article 10.1.

10.5 All mileage cost shall be computed and reimbursed at the IRS rate then in effect. Reimbursements will be made for the following situations:

- a) Staff members who utilize their vehicles to pick up and/or transport supplies, as determined by the building principal.

D. Teachers may be required to attend without additional compensation three (3) evening assignments or meetings that are required or approved by the Superintendent or the Superintendent's designee. Teachers will be informed of these assignments at the beginning of the school year. For additional evening activities that are required or approved by the Superintendent or the Superintendent's designee, compensation will be either a stipend under Appendix B, or \$25.00 per hour if there is no applicable stipend under Appendix B.

ARTICLE ELEVEN
PROFESSIONAL ASSIGNMENTS AND VACANCIES

11.1 Teachers shall not be assigned outside the scope of their teaching certificate and outside their major field of study, except in case of emergency. Teachers shall be consulted and given an opportunity to provide input prior to an assignment to a different grade. No teacher shall be involuntarily transferred unless there are valid educational reasons for the transfer.

11.2 The board shall make every effort to give teachers notice of their teaching schedules, class and/or subject assignments, and extra curricular activities for the forthcoming year no later than the close of school in June. In order to meet the needs of the district when changes in such schedules, class and/or subject assignments or building assignments become necessary, and are made during the summer months, the teachers involved shall be promptly notified when possible.

11.3 The employee's assignment including, but not limited to, grade and subject shall be listed on the employee's individual contract at the time it is offered to the employee. Co-curricular and extra-duty assignments shall be covered by Memoranda of Agreement.

11.4 Every teacher will serve on at least one (1) school, district, or state committee annually. Any other assignment in addition to the normal teaching schedule outside the instructional day shall be voluntary. Routine responsibilities such as bus duty, lunch duty, special education and 504 teams, and recess duty are considered part of the instructional day.

11.5 After the issuance of contracts for the following school year, or any time that vacancies should occur, the superintendent shall post a list of such vacancies. Such notices shall contain the date of posting, a description of the position, requirements of the position, name of the person to which the application is to be returned and date by which the application is to be returned.

11.6 Teachers already employed in the district shall be granted an interview and be given full consideration for placement in the position before the position is advertised publicly. The district shall take into consideration a teacher's qualifications and performance when filling open positions. If all factors of consideration are otherwise equal, seniority shall be considered.

11.7 The board agrees at all times to maintain an adequate list of substitute teachers. Teachers shall be informed of a telephone number they may call before 7:00 a.m. to report unavailability for work. Once a teacher has reported unavailability, it shall be the responsibility of the administration to arrange for a substitute teacher. Every effort shall be made to obtain a substitute teacher for all teachers who are absent from school, including special area teachers. Regular teachers or aides shall be used as substitute teachers only in emergencies.

ARTICLE TWELVE

EVALUATION

12.1 During the first three weeks of school, the principal shall orient all teachers new to the district regarding evaluation procedures and instruments.

12.2 Evaluation is an administrative function and will be conducted according to the evaluation policy adopted by the school board and the Association. All monitoring and observation of the performance of a teacher shall be conducted openly for a minimum of ten (10) minutes and with full knowledge of the teacher. A conference between teacher and evaluator shall be made available within 48 hours after a classroom observation or within a reasonable time. A written report of observations will be discussed by teacher and evaluator at this conference. Annually, observations will consist of a minimum of 80 minutes of announced or unannounced classroom observation; 40 minutes of which will occur before the 90th day of school.

12.3 Notification of Deficiencies

The administration, in recognition of the concept of progressive improvement, shall promptly notify a teacher in writing of any alleged deficiencies, indicate expected correction, and indicate a reasonable period for correction. In the event that deficiency could result in termination of employment, copies of any notice to the teacher shall be promptly forwarded to the association.

12.4 Complaints

Any complaint regarding a teacher made to any member of the administration by a parent, student or other person which may be used in any manner in evaluating a teacher, shall be promptly investigated. Any written complaints shall be available to the teacher for an opportunity to review and respond to said complaint. Any verbal complaints that the complainant is unwilling to put in writing shall not be referenced in any way in the teacher's file.

The exception to this will be verbal complaints regarding alleged immoral or criminal acts. These verbal complaints will be reduced to writing and treated as a written complaint. Any complaint that is unsubstantiated or unproven shall not be placed in a teacher's file.

The teacher shall be given an opportunity to respond in order that he/she may rebut the complaint. The teacher shall acknowledge that he/she had the opportunity to review such complaint by affixing his/her signature to the copy to be filed, with the express understanding that such signature in no way indicates agreement with the contents thereof. The teacher shall also have the right to submit a written answer to such material and that answer shall be reviewed by the superintendent or his designee and attached to all copies. Unsubstantiated complaints shall not be placed in an employee's file.

12.5 Upon reasonable notice, employees shall have the right to examine their individual personnel file. No material, which is adverse to an employee added after original employment, shall be placed in an employee's file unless the employee has had an opportunity to review the material. The employee may submit a statement regarding any material which is in the file. The employee may use the copy machine in the business office to copy contents and records as concerns the employee at no cost to the district.

12.6 Review of Personnel Files

Although the district agrees to protect the confidentiality of personal references, academic credentials and other similar documents received prior to the teacher's initial employment, it shall not establish any separate personnel file which is not available for the teacher's inspection.

12.7 Whenever material is permanently removed from a teacher's file, the teacher shall be notified.

13.3 Professionals are encouraged to attend workshops and other related programs that will be beneficial to their assignments. If a teacher begins fostering a child with the intent to adopt, the teacher may petition the Board to use sick leave for the bonding time before instead of after adoption. For those teachers hired initially (or subsequent to) the 2002-03 school year, said teacher(s) shall be provided a maximum of thirteen (13) days of sick leave per annum, cumulative to a maximum of ninety (90) days. Long-term disability insurance benefits will be accorded as specified above.

C) All benefits to which a teacher was entitled at the time of leave, including accumulative sick leave, shall be restored upon return. The teacher may keep the benefits in force while on leave provided the carrier permits, by paying the cost of the benefits to the school district. This payment should be made thirty (30) days prior to the due date.

D) Notification to the intent to take such leave shall be made to the superintendent at least thirty (30) days prior to the date on which the leave is to begin, except in cases of emergency.

One year sabbatical leave for further educational study shall be granted to teachers who have ten (10) years of service in the Wakefield School District. Sabbatical leave shall be granted to a maximum of one teacher per year subject to the approval and the reasonable requirements of the board and the superintendent. Any teacher granted such a sabbatical leave shall retain contract privileges and shall continue to be covered under the health, dental and long-term disability plans. The teacher shall be paid at the rate of fifty percent (50%) of the annual salary which he/she would have received during that year. Such teacher shall agree to return for at least one year of service to the district following the sabbatical leave.

In the event a teacher becomes totally disabled while on sabbatical leave, he/she shall not be paid for school district sick leave for the period of such disability, but shall be allowed, at his/her option, to be paid the differential from 60% or up to 100% of the teacher's annual contracted salary by applying the sick days accumulated prior to July 1, 1988 up to the number of such accumulated sick leave days, or the duration of the total disability, whichever is less.

16.5 Child Bearing Leave

A leave of absence, without pay, shall be granted to a teacher for the purpose of child bearing or child adoption. The portion of a leave taken by a teacher due to diagnosed disability resulting from pregnancy, miscarriage, or child birth shall be charged to sick leave and the teacher shall be compensated, therefore, in accordance with Federal Law.

16.6 Child Rearing Leave

Any teacher who becomes an adoptive or natural parent shall be granted a leave of absence not to exceed one year without pay, for the purpose of rearing a child. Such leave will terminate in September of the year following the calendar year in which the leave begins.

16.7 Child Bearing/Rearing General Provisions

Upon returning to service, the employee shall be assigned to the same or mutually agreed upon position as held prior to the beginning of the absence. Upon return from leave, placement on the salary schedule will be at least the same as when the employee took leave. Notification to the intent to take such leave shall be made to the superintendent at least thirty (30) days prior to the date on which the leave is to begin, except in cases of emergency.

ARTICLE SEVENTEEN GRIEVANCE PROCEDURE

17.1 A "grievance" shall mean a complaint by a teacher, group of teachers, or the association that there has been a violation, misinterpretation, or inequitable application of any of the provisions of this contract. "A grievance may not be initiated under section 17.5 more than twenty (20) days after the employee knew or should have known of the act or occurrence upon which the grievance is based."

17.2 An "aggrieved person" is the person or persons making the complaint.

17.3 The term "days" when used in this Article shall, except where otherwise indicated, mean school days; except the end of the school year when they shall be Monday through Friday, excluding holidays.

17.4 Failure at any step of this procedure by the administration or school board to communicate the decision on a grievance within the specified time limits shall permit the aggrieved person to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to constitute acceptance of the last decision rendered by the administration or school board.

INITIATION AND PROCESSING

17.5 Level One - Principal

a) Any grievant may discuss the grievance with the immediate supervisor in an attempt to resolve the matter informally at that level.

b) If, as a result of the discussion, the matter is not resolved to the satisfaction of the grievant within five (5) days, the grievance shall be set forth in writing to the principal specifying: 1) the nature of the grievance; 2) the provisions of contract policy or practice violated; and 3) the action required. The principal shall communicate a decision in writing to the grievant(s) and to the association within five (5) days of receipt of the written grievance.

17.6 Level Two - Superintendent

The grievant, no later than eight (8) days after the verified receipt of the principal's decision, may appeal that decision to the superintendent of schools. The appeal must be made in writing, including the matter submitted to the principal, as specified above, and the dissatisfaction with the decision previously rendered. The superintendent or designee shall meet with the grievant to attempt to resolve the matter, as quickly as possible, but within a period not to exceed ten (10) days. The superintendent or designee shall communicate his/her decision in writing to the grievant (s) and the association within ten (10) days after the meeting.

17.7 Level Three - School Board

If the superintendent's decision does not resolve the grievance to the satisfaction of the grievant, the decision may be appealed to the school board within ten (10) days after the verified receipt of the answer in Level 2. The grievant shall have the right to appear before the board to present evidence and argument for the board's consideration. The decision of the board shall be made and transmitted in writing to the grievant no later than twenty (20) days from the time of submission of the grievance to the board.

17.8. Level Four - Binding Resolution

- a. If the decision of the school board does not resolve the grievance to the satisfaction of the grievant (s) or the association, and a third party review is desired, the association may within twenty (20) days of the time from the board's decision, submit the dispute to binding arbitration pursuant to the voluntary rules of the American Arbitration Association. The arbitrator appointed shall limit himself/herself to the issues submitted and shall consider nothing else. The arbitrator shall not have the power to add to delete from, or modify any of the provisions of this Agreement.
- b. The decision of the arbitrator shall be binding upon both parties provided, however, that either party shall have a right to appeal such decision to the New Hampshire Superior Court under the provisions of RSA 542 as amended. It is hereby specifically agreed by the parties that this contract and grievance procedure clause are subject to the provisions of RSA 542 as amended.

17.9 A grievant may be represented at all stages of the grievance procedure by him/herself or by the association, but only the association may appeal a grievance to arbitration.

17.10 When a teacher is not represented by the association in the processing of a grievance, the association shall at the time of submission of the grievance to the principal, or any higher level, be notified by the principal in writing that the grievance is in process. Any resolution of this grievance shall not be inconsistent with the terms of this agreement.

17.11 The board shall assure that the parties in interest and witnesses are guaranteed freedom from restraint, interference, coercion, discrimination, or reprisal with respect to the processing of a grievance.

17.12 Costs

The fees and expenses of the arbitrator will be shared by the two parties equally.

17.13 Grievances of a General Nature

Grievances of a general nature filed by the association shall be submitted to level two.

If evidence of a salary track change is not provided by one (1) week prior to the first day of the third academic quarter, the teacher may receive the track change during the next school year.

b. Teachers who earn a track change shall receive a one-time lump sum payment of \$1,000, paid as a separate check within thirty calendar days of the date that the employee's salary reflects the track change.

18.4 Employees shall be paid bi-weekly. Each employee shall have the option of salary payments prorated on the basis of 21 or 26 pay periods. Employees electing 26 pay periods shall have the choice of receiving the balance of salary in a lump sum on the last day of school in June.

Employees shall have added to their contract each year, the following stipend for years of service to the district. Upon completion of eight (8) years of service to the district, bargaining unit members shall receive one hundred fifty (\$150) dollars for every year of experience of teaching in the district.

18.6 A teacher who completes a year of service shall be moved up one step on the salary schedule. However, upon recommendation of the superintendent and subject to approval by the school board, a teacher may be held at step because of unsatisfactory job performance.

If an employee chooses to participate in the plan, the District shall pay 82.5% of a single, two-person or family plan. The CDHP is designed to avoid/minimize the Affordable Care Act (ACA) Premium threshold.

19.4 The employee may elect to receive a \$2,000 buyback benefit in lieu of a health insurance policy as follows: The buyback benefit will be paid twice annually; half of the amount will be paid mid-year and the second half at the end of the school year. All buyback amounts will be prorated by days of service if the teacher leaves the district prior to the completion of the contract year. All employees must provide proof of insurance coverage, for the employee and others for whom the employee expects to claim a personal exemption deduction, from a non-district source that provides minimum essential coverage (other than in the individual market), if they elect to receive the buyback benefit.

Employees shall be allowed to roll over monies to the extent allowable by law.
