Dear parents,

Today, out of an abundance of caution, the Governor Wentworth Regional School District closed when district officials learned that a family member of a staff member is being tested for COVID-19. In response, the Wakefield School District reached out to the NH Department of Education, NH Department of Health and Human Services and the NH's Bureau of Infection Disease Control. We determined that while SAU 101 has students who attend high school in the Governor Wentworth Regional School District, and some siblings of those students attend the Paul School, there was not a sufficient reason to ask those students to stay home. We will make every effort to keep you informed as more information becomes available. We will continue to take efforts to reduce risks to our students, staff and families.

Sincerely,

Jerry Gregoire  
Superintendent
