Welcome Statement

The Paul School staff welcomes you to the 2019-2020 school year. Whether you are new to the Paul School Community or a returning family, we are happy to have you with us.

The Student Handbook is designed to help familiarize each student and his/her family with the expectations, programs, and policies regarding Paul School. We encourage you and your child to read the handbook, and keep it as a handy reference throughout the year. If you have any questions about the handbook, feel free to contact your child's teacher or administration.

The quality of the educational experience for each student is greatly enhanced when the school, the parents, and the student have a mutually supportive and cooperative working relationship. We encourage all parents to be active and well informed about our school through avenues such as the Parent Teacher Association, "Open House" night, parent conferences, weekly newsletters, the school website, and our school facebook page to mention a few.

We look forward to working with you to ensure a safe, responsible, kind and cooperative learning community for all!

General Information

Activities

Teachers and students plan activities that are educationally beneficial for all students. They are scheduled in conjunction with the school curriculum and special interests for the students and teachers. During activities both in school and away from school, students are expected to “Be Kind, Be Safe, Be Cooperative and Be Responsible”. Anything less may be cause for disciplinary action. In addition, dress must be appropriate for the activity. Parental permission is required for any away from school activity. Students who choose not to attend these activities are expected to attend school as usual.

Athletics

The Paul School offers students in grades 6-8 a chance to play the following sports through the school:

Soccer

Baseball

Softball

Please reference the Student Athletic Handbook for additional information.

The school works closely with the Wakefield Parks and Recreation Department and provide additional athletic activities for students of all ages. Contact the Parks and Recreation Department at 522-9977 for more information.

Under an agreement with the Wakefield Parks & Recreation Department, students who have been assigned a detention or suspension must complete the detention or suspension prior to participating in any Parks & Recreation activities.

Attendance

Wakefield School District requires regular school attendance. According to RSA 193.1, students are required by state law to attend school:

“Every child between 6 and 18 years of age shall attend the public schools all the time the public schools are in session, unless she/he has grounds that his/her physical or mental condition is such as to prevent her/his attendance or make it undesirable.”

Students are expected to have punctual and regular attendance. Absences, for any reason, results in lost educational experiences. Paul School students who have regular attendance will find more success in their educational experience. Student attendance at school is the responsibility of parents/guardians and students. In middle school, it is the student’s responsibility to ask teachers for work missed while absent.

Excused Absences

In order for an absence to be excused, it must first be called in by the parent.

The district considers the following to be excused absences:

- Illness
- Recovery from an accident
- Required court attendance
- Medical and dental appointments
- Death in the immediate family
- Observation or celebration of a bona fide religious holiday
- Such other good causes that may be acceptable to administration or permitted by law

Parents/guardians have an obligation to avoid, whenever possible, disruptions of the academic year by planning medical appointments and vacations at times that will not require students to be out of school. Work must be made up after a student returns to school. Any absence that has not been excused for any of these reasons will be considered an unexcused absence.

Unexcused Absences

Sleeping in, babysitting, missing a ride, skiing, hunting, trips w/o prearranged clearance, etc. will result in an unexcused absence mark on attendance. Work must be made up after a student returns to school.

If a student has five half days or more of unexcused absences during the academic year, the office staff will contact the parents/guardians to discuss the importance of daily attendance and to review any extenuating circumstances. At seven half days of unexcused absences, a conference will be held between the school and the parents/guardians, along with the truant officer, to develop a plan to address the absenteeism. Once the student has missed ten half days of unexcused absences, the parent/guardian may be required to meet with the principal and/or superintendent of schools to discuss the absenteeism.

Tardiness

The school day starts at 8:30 and students are expected to be in school by that time. Students arriving after 8:30 will need to stop in the office for a tardy pass.

"Educational Neglect" means that any parent/guardian who has a minor child, age 6 to 18, that is not meeting mandated educational requirements of NH RSA 193:1 Duty of Parent; Compulsory Attendance by Pupil as a result of the behavior of the parent or guardian and not the truant behavior of the child. Educational neglect exists only after multiple and meaningful remediation attempts have been made and documented by school personnel, school resource officers, truant officers/school liaisons or designee, court and school social workers.

Call-In Procedures

We are concerned for the safety of all Wakefield students. In order to ensure that all students arrive at school safely or are home or at a location known to a parent or guardian, the following procedures are used: Parents must notify the school between **7:30am and 8:30am** if their child is to be absent or tardy on a given school day. Please leave a message if you are unable to reach a secretary. For students who are absent and have not been reported by the parent/guardian, a call will be made to the home, work, or emergency number(s), generally by **9:00am**. If a student is absent and the school is unable to reach a parent/guardian or other previously designated person, the truant officer or police may be contacted. Your help in faithfully calling in when your child is absent will help save the school unnecessary calling and would help us to quickly identify an emergency involving a missing child.

Early Dismissal

In all instances, parents/guardians must come to the school office to dismiss their child. Please try to schedule non-emergency doctor and dentist appointments for after school hours. When dismissals are planned, parents/guardians need to send a note to school with their child indicating the time and reason for dismissal. If you have a change in dismissal that your child is not aware of, please call the school office prior to 2:30pm.

Unless specific arrangements have been made in advance, the child will be released only to his/her parent or guardian. If you would like someone to pick up your child that is not on your emergency contact list, we will need to be able to verify this by calling you on one of your contact numbers. If there is a court order or separation agreement concerning custody of the child, please ensure the office has the most current copy of the court order.

End of Day Dismissal

The school day ends at 3:00pm. Students will not be called out of classrooms after 2:45pm, parents will need to wait for dismissal. Please do not park and leave your vehicle unattended in the roadway or parking lot as it blocks staff vehicles and emergency vehicles. Parent pick-ups will be dismissed first, followed by walkers, and then bus students who will be dismissed as the buses arrive. The bus lane may not be used when buses are present. All pedestrians must cross the roadway at the designated crosswalk.

Bicycles/Skateboards/Rollerblades

Students are welcome to bring bicycles, skateboards, scooters and rollerblades and must wear a helmet on school grounds. Students who do not bring a helmet to school, will not be allowed to bring their bicycle/scooter/skateboards/rollerblades. Bicycles must be secured in the bike racks, while rollerblades and skateboards are to be stored in the student's locker or classroom. Bicycles, skateboards, scooters, and rollerblades are brought to school at the owner's risk. The school will not assume responsibility for loss or damage. If students violate these rules, they will lose the privilege of riding these items to school.

Bus Regulations

Bus students must ride the bus assigned to them unless a note has been provided by the parent/guardian indicating the reason for the bus change. Students must get a bus pass from the office in order to ride a different bus. Permission to ride a different bus is dependent on available space.

Students in grades PK-2, must have a parent or older sibling present at the bus stop, for afternoon drop off. Parents may opt out of this, by writing a letter to the principal. This letter should be received 24 hours prior to the opt out beginning.

Change of Address/Phone

Parents/guardians must inform the school office of any changes in address or phone numbers throughout the school year. All parents/guardians must provide a phone number (home, work, mobile, etc.) where they can be reached during the school day in the event of an emergency.

Dances

Dances are considered an extracurricular activity and are for Paul School students only. In order to attend dances, students must be in school the entire day.

Students attending the school dance are not permitted to leave the building, prior to the dance ending. Students who do leave will not be permitted back inside and parents will be notified.

Debts

Students are responsible for school property issued to them and may be charged a fine for lost or damaged property. Bounced checks will result in additional fees to cover all costs incurred by the school district, as well as possible loss of check writing privileges. Parents/guardians are responsible for negative lunch balances.

Dress Code

The following dress requirements for Paul School students are designed to provide a standard of pride and personal care while allowing for choice dictated by individual taste and comfort. All students are required to dress appropriately for classroom and other school activities. In general, dress must be modest, neat, and clean. While flexibility is left to the discretion of each individual family, students should dress appropriately for an educational environment. Please refer to the Dress Code section of the Behavior Matrix on pg. 29 for more specifics.

Parents/guardians will be required to bring appropriate clothing to school if student attire does not conform to school dress code and alternate clothing is not available to them.

Administration reserves the right to allow exceptions to the dress code for special occasions and circumstances.

Early Arrival

Students are not authorized to be on school property prior to 8:15am, which is when supervision of students begins. Students are to remain on school property once they arrive at school. Students who leave school grounds after arriving, will be subject to disciplinary action.

Electronic Devices

All cell phones, pagers, music/video players, electronic games and cameras must be off and out of sight during school hours (8:15am until exiting the building) other than for sanctioned educational activity i.e. field trips. Text messaging/phone calls are prohibited. If parents need to get in touch with their child, please call the office. Devices will be confiscated by a teacher and returned to the student at the end of the day. Additional offenses will result in the device being turned over to administration and will only be released to parent/guardian. The school will not assume responsibility for loss or damage.

Email

To contact a staff member, please refer to the complete listing of staff email addresses and links on our school district website at www.sau101.org.

All staff and student emails follow the same format:

Emergency Closing

When inclement weather or emergency situations cause the school to close, radio and television stations will be notified prior to 7:00am. Announcements will be carried on the following radio and television stations:

WOKQ 97.5 FM
WMUR Channel 9

The school district has installed a phone notification system called School Messenger. This system will contact parents/guardians at the phone number(s) provided at the beginning of the year. This system notifies parents/guardians of weather/emergency school closings and of unexpected early dismissals.

- Caller ID will display the school's main number
- School Messenger will leave a message on any answering machine or voicemail provided
- School Messenger cannot call an extension number

In the event school is delayed, it will always be for 2 hours. Breakfast will not be served. Buses will pick-up students two hours later than usual, including buses for out-of-district placements.

In the event school is cancelled for the day, there will be no bus transportation from Wakefield to the high school, or out-of-district locations. In addition, all school activities scheduled for that day will be cancelled.

Emergency Drills

The school will periodically run emergency drills to ensure the safety of everyone at Paul School. Any person in the building is expected to participate in all emergency drills being conducted while they are on campus.

Food in the Classroom

Any classroom in the school may be designated as “nut free.” These classrooms will be clearly marked.

Carbonated drinks are not allowed in the classroom or the cafeteria at any time. Clear water is recommended throughout the day; exceptions are made for juice, gatorade, etc. during snack time and lunch.

Food Services

Breakfast is available daily from 8:15-8:30. Students will be dismissed directly from the bus to the cafeteria to pick up their breakfast. The cost is \$1.85 and no cost for students eligible for free or reduced meals.

A complete lunch menu is sent home to parents/guardians at the beginning of each month. The cost of lunch is \$2.85, \$.40 for reduced eligible and no cost to students eligible for free meals.

Families may apply for Free and Reduced lunch at any time during the school year. Applications are available in the main office and the cafeteria.

Reference: Policy EFC

Students with food allergies will be provided a table that is free of foods known to induce an allergic response from them.

Parents have two methods to fund their student’s account:

1. Online Payments - You may set-up an online account (www.myschoolbucks.com) using a Credit/Debit card to make deposits into your child’s account. In addition to providing you with a secure online payment option, the system will allow you instant access to details on what your child is purchasing in the cafeteria, as well as other convenience features such as automatic low balance alerts. This automated system will help increase the speed of service and allow students additional time for a more relaxing dining experience. Instructions for setting up your online account are available in print from your Food Service Director and posted on the Fresh Picks Cafe website.

2. You may send a check with your child made payable to the Wakefield School Lunch Program. Please make sure to include the child's name in the memo line. We encourage parents to either utilize the online payment method or to send in a check but cash can also be accepted.

Guidance Services

The school counselor offers a safe and confidential place to talk with students. Counselors are professionally bound to maintain the confidence of discussions within legal guidelines.

School counseling and social work services are available to all students PK-8.

Services offered by our guidance counselor include: individual counseling (as needed); academic advising; classroom lessons; consultation with students, parents, and school staff; collaboration with community agencies; student placement; individually or in small groups, to support educational, emotional, and behavioral growth. Our counselor seeks to establish caring, collaborative, and confidential relationships with students, parents, and teachers to facilitate student's personal development.

Hallway Pass

Any time a student needs to leave an assigned area, he/she must receive permission from the classroom teacher. A written pass will be issued. For students in grades 6-8, they are required to use the passes in their agenda.

Health Services

Health care at Paul School is provided by a certified full time nurse. The role of the nurse is to enhance student learning by modifying or removing health related barriers and by promoting an optimal level of wellness. Duties include taking care of ill/injured children, screenings, and compiling student health records.

Emergency forms are required for all students. The nurse must be able to contact parents when children are ill or injured so please keep your child's emergency information current. If there is an injury or illness that requires immediate emergency medical attention, the Wakefield Ambulance will be called to transport the child to the nearest medical facility. Every attempt will be made to contact the parents/guardians if an injury or illness of a serious nature occurs at school. The alternative person listed in the emergency information provided will be contacted if parents/guardians cannot be reached.

Reference: Policy JLCE-R

Students are not permitted to self-administer internal medications without authorization from nurse and/or administration. When possible please give student medication at home. Medication needed during school hours must be brought to school by a parent/guardian or authorized adult, and be in the original prescription container. Written parent/guardian permission and a physician order are required. Inhalers may be kept in the nurse's office to prevent loss. Older students may keep inhalers with them if written parent/guardian permission and physician orders are on file.

The use of cough drops in school is discouraged; a note from a parent is required for use of cough drops.

Reference: Policy JLCB

Questions and Concerns

Open and honest communication between home and school can support learning. Parents/guardians and caregivers are strongly encouraged to ask questions and address concerns in a timely manner regarding any aspect of our class and school operation directly with the person involved. In return, parents/guardians and caregivers should expect such open and timely communications from school personnel. In the interest of effective communications and efficient resolution of classroom and school concerns, the following process has been established:

- Step 1: Individual Teacher
 - Make an appointment to discuss the concern with the teacher or other individual involved. Depending on the situation, it may be helpful to have the child participate in a conference.
- Step 2: School Administrator
 - If the situation has not been resolved to your satisfaction at the individual level, make an appointment to discuss the concern with the principal or assistant principal.
- Step 3: Superintendent of Schools
 - If the situation has not been resolved to your satisfaction at the school administrator level, make an appointment to discuss the concern with the superintendent of schools.
- Step 4: School Board
 - If your efforts have not met success, even after working with the superintendent, you may ask him/her to discuss the concern with the school board.

School Board

Wakefield School Board meets twice monthly, on the first and third Tuesday, at the Paul School. Agendas for regular and special meetings are posted on the District website (www.sau101.org) and posted on the community bulletin board in the school lobby prior to the meeting. Meetings begin at 6:00pm and are open to the public. There is time set aside at the beginning and end of the meeting for public comment. The School Board formulates and adopts policies and budgets in support of the education of our students. Parent attendance and comments are welcomed and encouraged.

Student Records

Parents/guardians have the right to examine their child's records. This may be done by written request at any time while school is in session. An appointment for the parent to come in will be made promptly after the request is received. Administration will be present to interpret any items that the parent/guardian requests. The parent/guardian has the right to appeal any record or portion thereof. Any student may meet with administration for the same purpose.

Student Rights

The rights and privileges of all students shall be guaranteed without regard to race, religion, sex, creed, marital status, national origin, sexual orientation, or genetic information.

Students have the right to peaceably and responsibly advocate the change of any law, policy, or regulation. Students may exercise their right to freedom of expression through speech, assembly, petition, and other lawful means. The exercise of these rights may not interfere with the rights of others or be disruptive to the day-to-day operation of the school. Freedom of expression does not extend to all expression, such as that which is obscene or slanderous; defamatory; bullying; advocates violation of federal, state and local laws or school policies, rules and regulations; or uses "fighting words."

Students may present complaints to teachers or administration. Adequate opportunities shall be provided for students to exercise these rights through channels established for considering such complaints.

Paul School students have the right to have:

- Their ideas and feelings respected
- A quiet and orderly place in which to learn
- Personal safety
- Personal belongings protected
- Questions answered in a timely fashion
- Due process when accused of misconduct

Student Due Process

Students facing discipline will be afforded all due process rights given by law. The Superintendent or his/her written designee is authorized to suspend any student for ten days or less for violations of school rules or policies. Should the Superintendent desire to suspend a student for more than ten days, such student will be afforded a hearing before the school board. In addition to the provisions of this policy, the Board recognizes the application of all pertinent provisions of RSA 193:13 and associated Department of Education rules. Student due process rights shall be printed in the Parent-Student Handbook and will be made available in other language or presented orally upon request.

Volunteers

We greatly value volunteer service provided by parents and other community members. The talent and support provided by school volunteers make our school a more dynamic and successful educational setting.

Before working with students regularly in a classroom or in an unsupervised situation on or off school property, a school volunteer must undergo a background investigation, including a criminal history records check. The entire process, including fingerprinting, can take up to 3 months to complete. Directions for completing the background check are available at the SAU. Volunteers must sign in and out at the office each time they are in the building during school hours.

Wakefield Weekly

A school newsletter goes home with the students weekly and is also available on the Paul School Facebook page and in the front entrance of the school. Important school and classroom news, procedures, events, and dates are included. Additional classroom newsletters and notices are sent out regularly to inform and remind parents of important dates and special upcoming events. If your family requires a double copy of the newsletter, please make that request through the main office. We will do an electronic mailing whenever possible.

Academic

Classroom Assignments

In order to establish supportive and productive classes where all students will be successful, the following are variables that are considered: academic mix, personality and learning styles, peer relationships, class size, special needs and gender balance.

Once it is completed, student placement assignments will be reconsidered only when merited by the discovery of new educational information not previously available.

Conferences

At the end of the first term in November, a teacher/parent conference will be scheduled for all students. First term report cards will be distributed at the conference. These conferences provide an opportunity for parents and teachers to share valuable insights about student growth and development, and to discuss goals for the school year. Conferences at other times are scheduled as needed by the teacher or parent.

Field Trips

Field trips are designed to stimulate student interest and inquiry. They provide opportunities for social growth and development and are an important extension of classroom learning. Field trips are planned in advance and require parents/guardians to sign a permission slip for their child to attend. Field trips may require families to pay basic costs. Student financial assistance is available by request.

All volunteers on field trips must register in the office prior to leaving. Field trips are an extension of learning. However, if students do not have permission to attend the trip, those students will be placed in another classroom for their instruction. Occasionally, a class will take a "walking" field trip where no bus transportation is involved. At the start of the year, a blanket permission slip for walking field trips will be sent home for signature. A notice will be sent home informing parents/guardians of the impending field trip, but no additional signed permission slip is required.

All field trips require appropriate school behavior. If a student has not demonstrated that he or she is able to behave appropriately in school, he or she may not be allowed to participate in field trips.

Grading

Report cards are sent home quarterly. Parents and students have ongoing access to student grades throughout the year by utilizing PowerSchool (<https://sau101.powerschool.com/public/home.html>). Midway through the quarter, parents will receive a reminder to check PowerSchool in order to be aware of any difficulties in time to meet with teachers and develop a plan to help the student. This is also an opportunity for students who are doing well to be recognized and complimented for their hard work and achievement.

A (93 – 100)	Excellent
B (85 – 92)	Above Average
C (77 – 84)	Average
D (70 – 76)	Below Average
F (69 and below)	Fail

Homework

Reference: Policy IKB

Homework is assigned to supplement and reinforce classroom teaching and learning. It may be assigned for a variety of reasons: to strengthen new skills, to complete unfinished classroom assignments, or to work on projects or guided reading activities begun in class. The amount of daily homework is established by each grade level team based on their curriculum, and may vary depending on individual needs.

Students who do not complete and turn in homework by the time specified by the teacher, may be assigned an incomplete and/or a school consequence such as, but not limited to, classroom detention or loss of school privileges.

Students should be assigned homework on a consistent basis according to the following guidelines:

Grades 1-3	15-30 minutes max/day
Grade 4	30-45 minutes max/day
Grades 5-6	45-60 minutes max/day
Grades 7-8	60-120 minutes max/day

Honor Roll

- High Honors consists of students receiving all A's in all classes.
- Honor Roll consists of students receiving all A's and B's in all classes.

Physical Education

Sneakers are to be worn for physical education. Your child will not be allowed to participate in PE without the proper shoes. Please be advised that this could affect his/her participation grade. These guidelines will be enforced for the safety of our students.

Promotion/Retention

Students in grades K–5 who are failing or are in danger of retention, will be identified at the beginning of the third quarter. A team consisting of parents, teachers, and administrators and, when appropriate, the child, will meet to develop a written action plan to remediate the situation. This plan will be reviewed, and if necessary, revised at the midpoint of the third quarter, the end of the third quarter, and the midpoint of the fourth quarter. A decision on whether to retain or promote a child will, whenever possible, be made by June 1st.

Special Education/Title I/504

Students needing additional assistance are afforded help through federally funded programs.

Special Education

The Wakefield School District provides every child with an educational disability a free and appropriate public education. Children with disabilities are educated within the regular classroom setting to the maximum extent possible. The special education coordinator is responsible for overseeing the implementation of Individualized Education Programs (IEPs).

Anyone who feels that a student may have an educational disability should refer them to the special education coordinator or the principal.

Title I

Title I is a federally funded program to help students achieve success while meeting high academic standards. Students are referred to the program by staff members and selected based on classroom performance and test results. Title I offers supplemental literacy and math instruction for students in grades K–8. Permission from parents/guardians is required for all Title I services provided. Parents/guardians also have the right to refuse Title I services.

Section 504

Federal law defines a qualified handicapped individual under Section 504 as one that:

- Has a physical or mental impairment that substantially limits one or more major life activities.
- Has a record or history of such impairment.
- Is regarded or treated as having such an impairment.

A detailed copy of the Section 504 process can be made available by contacting Deb Wilson, our social worker and 504 coordinator.

Testing

Testing is done in the fall and spring. The Northwest Evaluation Association (NWEA) will be administered to students in both fall and spring. All students in grades 3-8 take the New Hampshire state test in language arts and math in the spring. Students in grades 5 and 8 also complete the state test in science.

Textbooks and Other School Property

Students are responsible for books and supplies furnished to them and for their use of the school building and other property. Parents/guardians shall be required to make restitution for damages. Students are encouraged to report any prior damages immediately to their teacher. All textbooks should remain covered throughout the school year.

Any teacher may keep a student after school for up to one hour if the situation warrants. Students will be given a 24-hour notice and the parent/guardian will be notified so that transportation can be arranged, or the student may take the late bus, if available. In this event, it is the responsibility of the parent/guardian to see that the child is transported to and from school, since dismissal from the bus should not be construed as dismissal from school.

For all other bus information, please refer to the Student Bus Handbook.

PBIS

Paul School uses Positive Behavior Intervention Supports (PBIS) as a method for addressing behavior issues. PBIS places an emphasis on proactive strategies for defining, teaching and supporting appropriate student behaviors to create a positive student environment. Introducing, modeling and reinforcing positive social behavior is an important part of a student's educational experience. The Universal Team has set school-wide behavior expectations and office referral behavior definitions with a goal of creating common vocabulary for all students, teachers, and parents. The Universal Team regularly reviews student behavior to identify behaviors that are school-wide issues which need to be addressed. The Universal Team develops challenges which are designed to help teach students the expected behaviors, develop school wide goals, and establish a way to recognize and celebrate when goals have been achieved.

Minor Office Referral Definitions

- Behavior that is managed by the teacher, paraprofessional or other staff
- Behavior that does not violate other student's rights
- Behavior that is not chronic

Procedures may include:

- Inform student of behavior violation
- Reteach expected behavior
- Seek student input as to his/her version of the behavior

- Parent contact
- Out-of-school suspension

After office interventions, the referring staff member will be notified of the consequence, interactions and conversations had with the referred student for a follow-up. In most cases, follow up communications will happen by the end of the day.

It is the expectation of building administration that teachers inform parents/guardians of all concerns and coordinate efforts with them toward positive change.

Positive Office Referrals

Students should be written up for positive behaviors as well as negative behaviors. Any staff member can fill out a positive referral form and submit it to the main office. Students should be written up for consistently following school expectations and when they're caught going above and beyond the expectations of being kind, cooperative, responsible or cooperative. A positive referral will trigger administration to call the student's home to celebrate and communicate the student's positive behavior.

Sexual Harassment

All students of the Wakefield School District are expected and instructed to contribute to an atmosphere free of sexual harassment. Sexual harassment of any employee or student by any other employee or student, or by anyone a student or employee may interact with in order to fulfill their job or school responsibilities, is a violation of Wakefield School District policy and will not be tolerated.

Recognizing that some may not be comfortable filing a complaint without support, the Wakefield School encourages the alleged harassed individual to seek support from school staff, a parent, or other trusted individual. If the investigation indicates that harassment has occurred, it will be reported to the principal and appropriate law enforcement and/or state agencies.

Suspension From School

The school administration is authorized by the superintendent of schools and state law to suspend students from school if the situation warrants. Parents will be notified of all suspensions.

Reference: Policy JICD

Out of School Suspension

The school administration is authorized by the superintendent of schools and state law to suspend students from school for major breeches of school rules or ongoing minor breeches of school rules. Parents/guardians will be notified in writing, and when possible by phone, when their student has been suspended. Students may not be on school property or at any school sponsored events on or off school property on the day(s) they are suspended. Parents/guardians will be informed in writing of the reason for the suspension and the length of the suspension. Parents/guardians may be required to attend a meeting with the student and the school administration prior to the student's readmission to school. Any student who commits an offense warranting suspension may be referred to the superintendent of schools for further action, which may include expulsion from school. Students suspended from school are now required,

by law, to have educational assignments made available to them during their suspension. Upon the student's return, they will be required to process with the behavioral inclusionist.

Students who receive this consequence will report directly to the office upon arrival at school and will work independently in the Panther's Den for the duration of the school day. Students will be required to process with the behavioral inclusionist.

The term weapon shall be defined as any of the following: a firearm, or any device, object, or artifact that has been determined by the superintendent of schools to be dangerous to any student or faculty member and also determined by him/her to have no legitimate purpose in school on the day in question.
