Parents, Guardians and Caregivers,

As the Principal of the Paul School, it has been my honor to welcome new and returning families to a great year at the Paul School. Our Back to School Barbeque was a huge success thanks to the many hands of volunteers who are dedicated to our school community. It is wonderful to be part of a community where students, staff, and families care for each other and strive to build meaningful relationships that support academic and social-emotional growth. As I walked through the building and joined in on each classroom, I was impressed with both the students and our staff for taking time to foster positive relationships and build classroom communities that promote our school theme of spreading kindness. This school year is off to a great start!

I encourage all of our families to become active members of our PTA, Parent Teacher Association. With your support, our staff and students can have amazing events, school supplies and field trips. Our first PTA meeting is coming up on Tuesday September 13th beginning at 5:30 PM at the Wakefield Inn. We hope to see you there.

Students in grades 3-8 will begin their NWEA, Measures of Academic Progress benchmark assessment this week.

Students will be tested in both reading and mathematics. The data collected from these assessments is used to measure a student's performance level at different times of the school year to determine their academic growth. This data is also used to identify student needs for interventions, track student starting points, monitor progress, and to evaluate general trends as a school. Please make sure to read, sign and return your child's computer use agreement form as soon as possible. If you have any questions pertaining to chromebooks please reach out to your child's classroom teacher.

As we work together during the school year, I encourage you to let me know how you and your child/children are experiencing school. Through open communication, teamwork and a dedication to continuous improvement, our goal is to make this a rewarding and enjoyable school year for all children.

Enjoy the beautiful Fall weekend,

Mrs. White

Dates to Remember

Tuesday Sept 13: PTA meeting
Friday Sept 30: Community Day
Friday Sept 30: Marks The Halfway Point For The First Quarter
Friday Oct 7: Teacher Workshop **No School**
Monday Oct 10: Columbus Day **No School**

IMPORTANT NOTICE!

If your student has any changes in pick up or if they are sick please call the office 603-522-8891.
Please call before 2:30pm for afternoon changes.

Parents please do not drop off your students before 8:15 as we do not have supervision to ensure their safety. We would also like to ask parents to know that there is no need to walk their student to class. We have an incredible staff to help children if needed.
