

Dear Parents and Guardians,

September 8, 2023

My name is Ms. Guivens, and I am the new Library Media Specialist here at Paul School. Now that your student is in grade 6-8, they have the ability to check out “YA” or Young Adult novels from our library. These titles are marked by a yellow YA sticker on the spine and are in a certain section in the library. **Students with permission may check out these titles.**

These types of books tend to have more mature content. They will reference or have a plot that incorporates mature situations and/or controversial issues. Because each family has their own definition about what is appropriate in their household, I am asking that you sign and return this form with your wishes for your student clearly marked. **Students will not be able to check out books without this form.**

If you grant permission, this decision will stand for the remainder of your child’s career here at Paul School. If you wish to revoke permission at any time, you may email me at aisilyn.guivens@sau101.org.

If you have any questions about the books in our library or about this policy in general, please do not hesitate to contact me.

Thank you,
Ms. Aisilyn Guivens, MLIS
Library Media Specialist

Student Name _____

Homeroom Teacher _____

Parent / Guardian Name (Please print) _____

Parent / Guardian Signature _____ Date: _____

_____ I allow my child to check out YA books for the remainder of their attendance at Paul School.

_____ I **DO NOT** allow my child to check out YA Books.

Please cut the dotted line and return the bottom of the form to Ms. Guivens in the Library.

Thank you!
