

## **POLICY REVIEW AND EVALUATION/MANUAL ACCURACY CHECK**

In an effort to keep its written policies up-to-date so that they may be used consistently as a basis for board action and administrative decision, the Wakefield School Board will review its policies on a continuing basis.

The board will evaluate how the policies have been executed by the school staff and weigh the results. It will rely on the school staff, students, and the community for providing evidence of the effect of the policies, which it has adopted.

The superintendent is given the continuing responsibility of calling to the board's attention all policies that are out of date or need revision.

The board directs the superintendent to recall all policy and regulations manuals periodically for purposes of administrative updating and board review.
