

## VENDING MACHINES

The installation and use of vending machines in the schools will be to complement the school lunch program, and encourage students in good eating habits.

The service and sale of all food and beverages to students during school hours will be under the control of the school food service department. The revenue from such sales will be deposited and accrued to the food service revenue budget.

Vending machines may be operated by the school for the sale of beverages in employee lunchrooms. The funds derived from such sales will accrue to the staff activity fund. Students will not make purchases from these machines.

Vending machines may be operated for student use. The profits derived from such operations will accrue to the school's student activities fund or its internal accounts fund.

The food services director and principal(s) will submit to the superintendent or designee annual financial reports on each account.
