

SCHOOL CALENDAR

The school calendar will be developed by the Superintendent and approved by the Board. Any exceptions or revisions to the calendar must be approved in advance by the Board.

The Superintendent shall ensure that the calendar conforms to the number of actual days of instruction and employment as required by law, board policy, and staff contracts.

To the extent possible, the calendar will be coordinated with the school calendars of the area vocational schools, regional special education programs, and other districts in the SAU.

Under special circumstances the Board may request an exception to this requirement from the State Board of Education.
