

AWARDING OF CREDIT FOR PROMOTION AND RETENTION OF STUDENTS

The Superintendent and the building Principals shall develop rules for the promotion and retention of students, and the rules shall have the approval of the Board. These rules shall be published in the Parent-Student Handbook.

Students at the Paul School (grades 6, 7, 8) are required to pass three out of four core subject areas in order to be promoted to the next grade level. Those students who fail two subjects will be invited to attend summer school. Successful completion of summer school will allow the student to be promoted.

Those students who fail more than two subjects will not be eligible for promotion. They will, however, be invited to attend summer school for remedial purposes.

The cost of the summer school will be the responsibility of the parents. Transportation is the responsibility of the parents.
