

CELL PHONE IN SCHOOL

The principal is responsible for overseeing the cell phone procedures insuring that:

1. Cell phones must be turned off and be out of sight while on school property (including the school bus, school building and grounds).
2. Cell phones may be used only with administration approval.
3. The use of video/camera cell phones is prohibited on school property (including the school bus, school building and grounds).
4. Failure to follow this policy may result in disciplinary procedures outlined by the administration including the personal loss of permission to have a cell phone when on campus. In most extreme cases, using video devices or inappropriate telephone calls may result in suspension from school or possible expulsion.
5. The use of cell phones on school buses is prohibited. If students use cell phones on buses the drivers are to take them away and return them at the end of the ride. Students may face disciplinary action for continued use of cell phones on the bus.
6. The school and Wakefield School Board will assume no liability for lost, stolen or broken cell phones.
