

STUDENT RECORDS AND ACCESS

In order to serve the needs of individual students, extensive records of their school performance, progress in testing, and scheduling requests are maintained. However, the school respects students' and parents' right to know, and follows these guidelines, consistent with federal, state, and local laws and recommendations.

1. Parents and eligible students wishing to inspect students records must file a written request to do so with the Principal or Director of Guidance. Such inspection shall take place during regular school hours or at reasonable times during vacation periods, but not during weekends or holidays.
2. Single copies of appropriate records will be made available to parents. Records will be kept in the student's file of all copies made, when made, and to whom provide.
3. Records are maintained for each student in the following categories: directory information, academic records, standardized and individual testing, individual education plans and pupil placement team recommendations, attendance and enrollment data, and health records.
4. Information of any kind other than directory information will not be disclosed without prior written consent of the parent or eligible student, except as permitted by law.
5. The school shall make a written record of the disclosure of all student information, except directory information, and such record will be kept in the student's file. This record of disclosure is also available for inspection by the parent or eligible student. A record of inspections will also be kept.
6. Amendment of Records—The parent or eligible student may request that the records be amended in respect to information alleged to be inaccurate, misleading or in violation of the privacy rights of the student. Such request shall be in writing, dated, and addressed to the Principal or Director of Guidance.

In the event that the School District decides to refuse the request to amend, the Principal shall inform the Parent or eligible student, and shall advise said person of his/her rights to a hearing, in compliance with the law.
