

Programs for Pupils with Disabilities- Section 504- Notice of Parent & Student Rights

Notice of Parent and Student Rights under Section 504 Rehabilitation Act of 1973

The Rehabilitation Act of 1973, commonly referred to as “Section 504,” is a nondiscrimination statute enacted by the United States Congress. The purpose of the act is to prohibit discrimination and to ensure that disabled students have educational opportunities and benefits comparable to those provided to non-disabled students.

An eligible student under Section 504 is a student who (a) has, (b) has a record of having, or (c) is regarded as having a physical or mental impairment that substantially limits a major life activity such as, but not limited to learning, self-care, walking, seeing, hearing, speaking, breathing, working, and performing manual tasks.

Dual Eligibility: Many students will be eligible for education services under both Section 504 and the Individuals With Disabilities Education Act (IDEA). Students who are eligible under IDEA have many specific rights that are not available to students who are eligible solely under Section 504. An explanation of procedural safeguards for New Hampshire students eligible for services under the IDEA may be found in the "New Hampshire Special Education Procedural Safeguards Handbook available through the school district’s Special Education/Student Services Office and sets out the rights assured by IDEA.

It is the purpose of this notice to set out the rights assured by Section 504 to those disabled students who do not qualify under IDEA. The enabling regulations for Section 504 as set out in 34 CFR Part 104 provides parents and/or students with the following rights:

1. You have a right to be informed by the school district of your rights under Section 504. (34 CFR §104.32)
2. Your child has the right to an appropriate education designed to meet his/her individual educational needs as adequately as the needs of non-disabled students are met. (34 CFR §104.33)
3. Your child has the right to free educational services except for those fees that are also imposed on non-disabled students or their parents. Insurers and similar third parties are not relieved from an otherwise valid obligation to provide or to pay for services provided to a disabled student. (34 CFR §104.34)
4. Your child has a right to placement in the least-restrictive environment. (34 CFR §104.34)
