

School Administrative Unit #101

Wakefield School District- Middle School Science Teacher

Position: Middle School Science 7th and 8th grade

This is a full-time position at the Paul School (PK-8). The successful candidate will be a student-centered educator with an ethic of care and a commitment to the well-being of the whole child. This position requires daily collaboration with the middle school team and frequent communication with students and parents. Priority will be given to candidates who have the ability to teach students to think and learn scientifically by engaging them in scientific discussions and hands on activities.

Additionally, preferred candidates will have experience and knowledge of:

- Best practices in science instruction
- NH Science Standards
- MTSS
- Advisory

Requirements: Current NH certification

Benefits: per CBA

Mail resume, certificates/transcripts, three letters of recommendation and a Professional Staff application on the SAU101.org website – SAU 101 -- employment opportunities.
